Purimshpiel
פורים-שפיל

A Purimshpiel is a comic dramatization of the Book of Esther, which describes what transpired on Purim and why it is celebrated as a Jewish holiday. It integrates texts, theater, music, dance, songs, mimes, and costumes for the Purimshpiel.

It is an authentic folk theatre and considered the birthplace of Yiddish theater. The Purimshpiel will be performed in Yiddish (subtitles in Dutch) by our second year's Yiddish students at the UvA.
